PATHWAYS TO YOUR SOLUTION

MAIN STREET SOLUTION CENTER

Solution Pathway 1- Evaluation of Needs

For communities just getting started or not really sure what they need, go with the flow!

Download and/or open Solution Center Catalog

Evaluate your organization in all 8 categories of the scorecard

Tabulate scorecard results for all categories and determine category of highest need

Scan QR to go to library site

Navigate to Solution Center

Scroll to expandable library at the bottom of the page

Download and/or view resources in category of highest need

Solution Pathway 2- Pre-identified Area of Need

For organizations that have identified areas for growth, and are seeking ideas and resources.

Download and/or open Solution Center Catalog

Proceed to the category that you need help on

Complete scorecard for category and plan your resource needs based on results

Scan QR to go to library site

Navigate to Solution Center

Find that category in the expandable library at the bottom of the page

Download and/or view resources that match your scorecard results and areas of interest

Solution Pathway 3- Hunting for a Specific Resource

Follow this path to locate a specific resource or solution, or for inspiration on a specific topic.

Download and/or open Solution Center Catalog

Review the 8 categories, and determine where the resource is likely located

Once the category is determined, explore catalog to find a resource that matches your need

Scan QR to go to library site

Navigate to Solution Center

Find that category in the expandable library at the bottom of the page

Locate matching resource and download
