A. Based on your scorecard results, which of the eight core areas represent the organization's greatest strengths? (select up to three)

B. Which of the eight core areas represent areas of greatest need or challenges facing the organization? (select up to three)

C. List or briefly describe five specific actions, projects, or areas of focus representing some of the best opportunities for growth or improvements for your organization and/or the downtown or district?

- 1.
- 2.
- 3.
- 4.
- 5.

Applying the Results EVALUATION AND STRATEGIC PLANNING

- Distribute a copy of the scorecard (and this summary evaluation worksheet) to each of your downtown or district management organization's board or leadership team members, including staff members.
- Set and communicate a deadline for completing and returning the scorecard.
- Compile completed scorecard results, paying special attention to areas of agreement and alignment, and areas of divergence.
- Facilitate a strategic planning session or retreat to review and discuss the compiled results. Discussion might revolve around questions and topics like:
 - What surprised you or stood out?
 - Which core areas or performance measures deserve more dialog or further exploration?
 - Looking deeper, what might be driving the results? (e.g. challenges, issues, timing, external forces, leadership, resources, etc.)
 - Who else—individuals and/or organizations—should be approached for perspective, clarification, or help?
- Build consensus around directions, priorities, actions, and/or next steps. For example:
 - To get started, refer to the list of "Best Opportunities for Growth or Improvements" compiled from this worksheet.
 - Invite each member to offer their own top three (these may come directly from the compiled list or may be new based on discussions and ideas shared at the session).
 - Create the list on chart paper and provide each member a chance to vote on their top 3 from the newly compiled list (the "dot" method works well for this purpose).
 - Tally the votes to identify areas and items of priority consensus. Choose three to five the organization will emphasize as organization development priorities over the next year.
 - Match priorities to Michigan Main Street Solution Center tools and resources for help getting started, elevating your efforts, and staying on track.
- Repeat the process annually to measure progress and re-assess organization development priorities.
